- 12:19 am **bhamchat**: Q2 comes up in 2 minutes! #bhamchat

- 12:20 am **acnatta**: @toddbob3 that'd be great but it would be tough for those without reliable cars to get there easily #bhamchat
- 12:20 am **ramsaytrov**: RT @ButtermilkMeeks: @. Q1 - wishing grocers could coordinate with public libraries like they are in Baltimore too: <http://tinyurl.com/29tw7nq> #bhamchat

12:20 am **ageekgirl:** #bhamchat Q1 sounds pretty good for all parties. hopefully it'll be helpful to all parties

12:21 am **bhamchat:** Q2 If you missed @chrisbrogan last week, here's the video he filed - <http://bit.ly/acNefx> - what do you think? #bhamchat

12:22 am **thegeekwife:** Sorry I'm late just hopping to #bhamchat! #bhamchat

12:22 am **acnatta:** Q1 @ButtermilkMeeks that would be cool, wouldn't it? #bhamchat

12:23 am **toddbob3:** Sorry @acnatta ..maybe not clear. I don't see them as mutually exclusive! Better? Haha #bhamchat

12:23 am **thegeekwife:** Q1: Some of my favorite memories in Birmingham are going to the farmer's market in Bham with my mom #bhamchat

12:23 am **bhamterminal:** RT @bhamchat: Q2 If you missed @chrisbrogan last week, here's the video he filed - <http://bit.ly/acNefx> - what do you think? #bhamchat #bham

12:25 am **ageekgirl:** #bhamchat Quick intro - geek & artist and dabbler living and working in Birmingham

12:26 am **RSSBham:** @bhamterminal #bhamchat He seems to have enjoyed his stay. Hi folks, #RSSBham here & just joining in

12:26 am **ButtermilkMeeks:** @. Q2 I don't see how this Brogan exposure is making waves anywhere other than some hyper-local social media marketing circles :P #bhamchat

12:27 am **thegeekwife:** Q2: I thought @chrisbrogan's video was great for the city & I love that he pointed out our "adaptive re-use & development" #bhamchat

12:27 am **Jon_Lewis:** Hello. Late again. #Bhamchat

12:27 am **liftmoving:** Hate that I missed @chrisbrogan - on his trip. Great video and overview of the positives in #bham #bhamchat

12:27 am **ramsaytroy:** Q2: That is such a nice video! #bhamchat

12:27 am **DOGingham:** RT @bhamchat: Q2 If you missed @chrisbrogan last week, here's the video he filed - <http://bit.ly/acNefx> - what do you think? #bhamchat #bham

12:29 am **thegeekwife:** @Jon_Lewis Welcome. #bhamchat

12:30 am **ageekgirl:** #bhamchat: Q2 I had the opportunity to hit his afternoon session & saw the vid. Nice summation of his POV on Bham.

12:30 am **liftmoving:** Also, for Chris to plan a return trip in October is HUGE for our community. Thanks to all who made such great impressions #bhamchat

12:30 am **DOGingham:** @bhamchat Methinks he did a great job highlighting new #bham urban development & history in positive light. #bhamchat

12:30 am **Jon_Lewis:** It was great having @chrisbrogan in town. We really enjoyed the program, and everyone involved did a great job. #Bhamchat

12:31 am **ButtermilkMeeks:** @acnatta Q1 Definitely would be a great thing for those living within Birmingham's "food deserts"... #bhamchat

12:33 am **bhamchat:** Q2a What's one step that can be taken in the next 4-6 weeks to make more people aware of what's going on here? #bhamchat

12:33 am **ButtermilkMeeks:** @. Q2Could someone link me some info on Chris Brogan? I'm really in the dark about his "buzz" - I saw the video last week though. #bhamchat

12:34 am **Jon_Lewis:** When you say what's going on here, do you mean with social media? @Bhamchat #Bhamchat

12:34 am **bhamchat:** @ButtermilkMeeks Here you go - <http://www.chrisbrogan.com/about/> #bhamchat

12:35 am **dgarvich:** @bhamchat #bhamchat that one requires some thought.... great question.

12:36 am **bhamchat:** @Jon_Lewis no, we mean in metro Birmingham. I think @chrisbrogan would say that his talk wasn't about social media... #bhamchat

12:36 am **ButtermilkMeeks:** @. Q2a - Hit BHM w some information via other mass media outlets if possible. Its hard to filter out the best stuff from the web #bhamchat

12:36 am **ramsaytroy:** Q2a: Football season is about to start, we will need some cool things to get people to take focus. #bhamchat

12:36 am **Nia_Elizabeth:** I'm missing #bhamchat

12:37 am **dgarvich:** @bhamchat #bhamchat I'd have to say get local media, especially country music radio (the 'burbs fav) involved

12:38 am **ageekgirl:** RT @bhamchat: Q2a What's one step that can be taken in the next 4-6 wks to make more people aware of what's going on in town? #bhamchat

12:38 am **Jon_Lewis:** @bhamchat who are we trying to make aware and of what - markets? I agree that @chrisbrogan's talk was not all about social media. #Bhamchat

12:38 am **bhamchat:** @Nia_Elizabeth jump on in if you can... #bhamchat

12:39 am **Nia_Elizabeth:** RT @liftmoving: what are the topics @bhamchat for #bhamchat?

12:39 am **RSSBham:** @bhamchat Possibly getting the news media more involved, more folks actively promoting/talking about it. #bhamchat

12:39 am **Jon_Lewis:** @bhammag blackandwhite BMetro BhamNews Local News stations and SM are all trying to make people aware. #Bhamchat

12:40 am **bhamchat:** @Jon_Lewis I think that's part of the fun of the answer. Who needs to hear the message 1st. Residents? businesses? Visitors? #bhamchat

12:41 am **ramsaytrov:** @bhamchat I say residents need to hear it first #bhamchat

12:42 am **dgarvich:** @bhamchat #bhamchat imo people in the 'burbs need the message... and a reason... to come support the metro

12:42 am **liftmoving:** @Jon_Lewis but how many people actually READ those publications? (I do, of course :) #bhamchat

12:42 am **ageekgirl:** Q2a #bhamchat need to coordinate w/ both social media & traditional venues to get more than the online crowd there

12:42 am **Jon_Lewis:** @bhamchat I don't know. We try to keep up, but it's hard when you have family stuff. What's great about SM is the engagement #Bhamchat

12:42 am **liftmoving:** @Nia_Elizabeth first Q was about the farmers market in N Bham Q2- Ramifications of Chris Brogan's visit— #bhamchat

12:43 am **liftmoving:** @dgarvich I believe that the RR Park will give a reason to visit the metro area #bhamchat

12:43 am **Jon_Lewis:** @liftmoving - tv stations too. If they don't read or watch, do they really want to know? #Bhamchat

12:43 am **RSSBham:** Ack! Forgot the #bhamchat tag on last tweet

12:43 am **ageekgirl:** Q2a #bhamchat We need to remember that there are lots more out there who haven't made these online connections.

12:44 am **RSSBham:** I'd say start w/ the grass roots and build up. People can spread news to businesses which in turn will spread to visitors. #bhamchat

12:44 am **Jon_Lewis:** @rssbham if you go to www.tweetchat.com, it puts it in for you. #Bhamchat

12:44 am **ButtermilkMeeks:** RT @liftmoving: @dgarvich I believe that the RR Park will give a reason to visit the metro area #bhamchat

12:44 am **liftmoving:** @Jon_Lewis In my opinion, SM is for a type of person that is of independent thought (at least in the Bham area) #bhamchat

12:45 am **liftmoving:** Clarification of Q2a please- are we talking about SM, Chris Brogan, or the metro area of bham? #bhamchat

12:45 am **liftmoving:** Clarification of Q2a please- are we talking about SM, Chris Brogan, or the metro area of bham? #bhamchat

12:45 am **alisonlewis:** @RSSBham like that idea #Bhamchat

12:46 am **Jon_Lewis:** Think a baseball stadium next to the park for Barons games would be awesome. People would go to dinner and games like old times #Bhamchat

12:47 am **Jon_Lewis:** My mom's family used to go to #OlliesBBQ and #Rickwood every Thursday night. #Bhamchat

12:47 am **DOGingham:** RT @Jon_Lewis What's great about SM is the engagement #Bhamchat <agree 100%>

12:47 am **bhamchat:** @liftmoving we are talking about metro Birmingham #bhamchat Brogan merely raised the issue and SM is one tool in the process

12:47 am **thegeekwife:** @Jon_Lewis Which park? #bhamchat

12:48 am **liftmoving:** I also believe that the foundations are being laid for a strong community downtown. RR Park + 2nd Ave North and 20th N biz #bhamchat

12:48 am **liftmoving:** @bhamchat gotcha #bhamchat

12:48 am **RSSBham:** @alisonlewis It seems like a good possibility #bhamchat

12:48 am **ageekgirl:** RT @bhamchat: @liftmoving we are talking about metro Birmingham #bhamchat Brogan merely raised the issue and SM is one tool in the process

12:48 am **Jon_Lewis:** @thegeekwife The new RR Park #Bhamchat

12:49 am **acnatta:** @DOGingham @Jon_Lewis that engagement can happen on and offline too #bhamchat

12:49 am **liftmoving:** Many charities are hosting events at Wine Loft, Rogue Tavern, Steel- people are already "playing" downtown #bhamchat

12:50 am **Jon_Lewis:** I said this last week. If you look at 20th Street and 2nd Ave. and UAB over the last 10 years, the changes are incredible. #Bhamchat

12:50 am **thegeekwife:** @Jon_Lewis You mean move the Barons from Hoover to downtown? #bhamchat

12:50 am **dgarvich:** @bhamchat those who are engaged now sought the information, we need to reach the apathetic... media blitz is all I know of :(#bhamchat

12:51 am **Jon_Lewis:** @thegeekwife Yes. There has been significant talk of that. They did it in Montgomery, and it has been very successful #Bhamchat

12:52 am **bhamchat:** @liftmoving don't forget those things happening outside of downtown as well (Woodrow Hall, Ruffner, Red Mtn, etc). #bhamchat

12:52 am **RSSBham:** New publisher at the #bhamnews. Maybe getting her attention about community events would stir some new interest among apathetic? #bhamchat

12:52 am **thegeekwife:** @Jon_Lewis Wow that would not be a good thing if you ask me. #bhamchat

12:52 am **ageekgirl:** RT @acnatta that engagement can happen on and offline too #bhamchat | & it needs to be both too. W/o offline connections things don

12:52 am **DOGingham:** @acnatta @Jon_Lewis SM engagement online fills in when offline isnt possible (but def not a replacement!) :) #bhamchat

12:53 am **liftmoving:** Agreed. The Biscuits (i know- NEVER allow the public to pick the name) have created a great building block- #bhamchat

12:53 am **ramsaytrov:** @thegeekwife The Barons need to be playing downtown #bhamchat

12:53 am **Jon_Lewis:** @acnatta I think word-of-mouth works. We have all seen each other outside SM. People need to join chats like this and meet. #Bhamchat

12:53 am **Jon_Lewis:** @theGeekWife WHy? #Bhamchat

12:53 am **Jon_Lewis:** @theGeekWife WHy? #Bhamchat

12:53 am **bhamchat:** Q3 One way to look at one tool would be how to engage more of the #bhamchat lurkers? ;) #bham

12:53 am **liftmoving:** I visited a game there last year on Thursday. It was a destination- (Hoover is too far out for my demographic) #bhamchat

12:54 am **ageekgirl:** #bhamchat pt 2 W/o offline connections things don't happen in town.

12:55 am **Jon_Lewis:** @bhamchat All of us talking need to get more people participating. Talk about the great conversation we had tonight. Tell a friend. #Bhamchat

12:55 am **acnatta:** Q2a @Jon_Lewis yes, but not all of us have met yet. For as small as the community is, there are still people to meet :) #bhamchat

12:55 am **ramsaytrov:** Just look at Memphis for why we need baseball downtown #bhamchat

12:55 am **ageekgirl:** RT @bhamchat: Q3 One way to look at one tool would be how to engage more of the #bhamchat lurkers? ;) #bham

12:55 am **Jon_Lewis:** @Bhamchat It would also be good to get some media people and politicians to join our chats. #Bhamchat

12:56 am **RSSBham:** RT @Jon_Lewis: @Bhamchat It would also be good to get some media people and politicians to join our chats. #bhamchat

12:56 am **dgarvich:** @BhamChat the Bham City Council is talking about digital communications... why not here? We're pretty captive... :P #bhamchat

12:57 am **bhamchat:** @Jon_Lewis @RSSBham it would - then we'd need folks to actually submit questions in advance... #bhamchat

12:57 am **RSSBham:** @Jon_Lewis I have to work days this week. Can possibly see about getting some time w/ new publisher for someone? #bhamchat

12:57 am **Jon_Lewis:** Post on Mayor Bell's fb page about bhamchat #Bhamchat

12:58 am **bhamchat:** @Jon_Lewis @RSSBham ...or be willing to answer their (politicans/media people) questions and engage during the chat #bhamchat

12:58 am **cupboards:** Agree 100%- One of best places to watch baseball in South. RT @ramsaytrov: Just look at Memphis for why we need baseball downtown #bhamchat

12:58 am **RSSBham:** @bhamchat True. Good point #bhamchat

12:58 am **Jon_Lewis:** @chrisnbc13hd could tell the folks at NBC13 to join us (AND CHRIS) #Bhamchat

12:58 am **thegeekwife:** @Jon_Lewis The same reason I don't go to BJCC at night, it isn't safe. Don't ask what happen the last time I went to BJCC at night #bhamchat

12:59 am **Jon_Lewis:** @thegeekwife I work downtown (for 18 years), and I have gone downtown at night on numerous occasions - never a problem. #Bhamchat

1:00 am **Nia_Elizabeth:** I think that the farmers market is a Great place... They have awesome produce and veggies at a great price! #bhamchat

1:00 am **liftmoving:** The BJCC is in a different part of the city! #bhamchat

1:00 am **dgarvich:** @thegeekwife downtown is far better, cleaner and safer than it used to be. And that is step 1. :) #bhamchat

1:01 am **RSSBham:** @thegeekwife I've been working downtown too (at night mostly) without seeing issues relating to safety. It has been a lot better #bhamchat

1:01 am **ramsaytrov:** @Nia_Elizabeth I love Pepper's Place!!! #bhamchat

1:02 am **ramsaytrov:** I have been to Legion Field for UAB games and nothing as ever happened and that is seen as a bad part of town #bhamchat

1:02 am **Jon_Lewis:** @ChrisNBC13HD @bhamchat is what happened. Join us at #bhamchat. We are trying to get media types like you to join the conversation.

1:02 am **thegeekwife:** @Jon_Lewis Moving the Barons will be sad. I remember spending nights with my family at the ball park,

I wont do that if they move #bhamchat

1:03 am **Jon_Lewis:** @ramsaytroy @nia_elizabeth - I love Jones Valley Urban Farms too. #Bhamchat

1:03 am **Jon_Lewis:** @thegeekwife we'll protect you. #Bhamchat

1:03 am **RC2k:** RT @bhamchat: Q3 One way to look at one tool would be how to engage more of the #bhamchat lurkers? ;) #bham // touché

1:03 am **RSSBham:** The general belief that downtown is unsafe is untrue these days. Especially since CAP was started. ;) #bhamchat

1:04 am **bhamchat:** Q4 What are your thoughts on the split council re: Pizitz building project - <http://bit.ly/cOV3QC> #bhamchat

1:04 am **ramsaytroy:** RT @RSSBham: The general belief that downtown is unsafe is untrue these days. Especially since CAP was started. ;) #bhamchat

1:05 am **RSSBham:** I have to jump out but enjoyed it tonight. Will check logs tomorrow to see what I missed. G'nite folks! #bhamchat

1:05 am **thegeekwife:** Q3: We need to find topics that interest the #bhamchat lurkers. #bhamchat

1:06 am **Jon_Lewis:** Good to see you here @rssbham #Bhamchat

1:06 am **Jon_Lewis:** The city needs to support the Pizitz building. They supported the Summit and were rewarded handsomely. Bayer knows! #Bhamchat

1:07 am **jsandford:** @bhamchat Q3: Pick a chat time during the day. This is a tough hour for families to break away. #bhamchat

1:07 am **Jon_Lewis:** @ChrisNBC13HD Right now. Go to www.Tweetchat.com and put #Bhamchat in the hashtag box. Tuesdays - 7:00 til ?

1:08 am **ramsaytroy:** RT @Jon_Lewis: The city needs to support the Pizitz building. They supported the Summit and were rewarded handsomely. Bayer knows! #Bhamchat

1:08 am **Nia_Elizabeth:** @Jon_Lewis I have never been there... Location? #bhamchat

1:09 am **Jon_Lewis:** @Nia_Elizabeth Near the YMCA Youth Center (Old Phillips) #Bhamchat

1:09 am **bhamchat:** @ChrisNBC13HD we'll also be uploading the archive to @bhamterminal later tonight and opening up comments there too #bhamchat

1:09 am **chris_depew:** @Jon_Lewis Was anything finalized about #Pizitz today? I'm out of state today and haven't heard. #bhamchat

1:10 am **Jon_Lewis:** @chris_depew Don't know. Don't think so, but the council is split apparently. #Bhamchat

1:11 am **thegeekwife:** Q4: We must continue to revitalize downtown, until we do people like me won't feel safe downtown in a city we love & cherish. #bhamchat

1:11 am **eatbhm:** @bhamchat I agree with @jsandford re: the day time slot... #bhamchat

1:11 am **Nia_Elizabeth:** I love reading everyone comments!! :) #bhamchat

1:12 am **Jon_Lewis:** @eatbhm @bhamchat @jsandford daytime may be a good idea. Depends when obviously. There is always going to be a problem. #Bhamchat

1:13 am **Jon_Lewis:** Time Out!!! Did @eatbhm change her avatar? Not sure I'm digging that. #Bhamchat

1:13 am **bhamchat:** @EatBHM @jsandford thanks for the input. We're always scared of being blocked by employers and of News chats already scheduled #bhamchat

1:14 am **acnatta:** Ironically, our largest #bhamchat crowd was because of a draw (Roy Wood Jr)...

1:15 am **Jon_Lewis:** @bhamchat @acnatta Isn't a daytime chat worth a try? #Bhamchat

1:15 am **Nia_Elizabeth:** Too all my #bhamchat ppl cone check me out at the Southern Women show at the bjcc!! I will be doing 3 shows!! #support

1:16 am **Jon_Lewis:** RT @Nia_Elizabeth: #bhamchat ppl cone check me out at the Southern Women show at the bjcc!! I will be doing 3 shows!! #support #Bhamchat

1:16 am **bhamchat:** @Jon_Lewis it's worth trying again, but it's not about numbers, it's about the engagement... #bhamchat

1:16 am **bhamchat:** @Jon_Lewis a lunchtime chat with folks still quiet doesn't change things that much #bhamchat

1:17 am **eatbhm:** @Jon_Lewis Calm down... I am testing. #bhamchat

1:17 am **Jon_Lewis:** @bhamchat I agree, but I think there is an optimum level for engagement. #Blogchat has lots of chatters. #Bhamchat

1:17 am **Jon_Lewis:** @eatbhm Okay. Just checking ;) #Bhamchat

1:18 am **thegeekwife:** @bhamchat You have to keep in mind most employer don't allow internet usage at work especially this type of interaction. #bhamchat

1:18 am **Jon_Lewis:** Family calls. Goodnight Bham Chatters. Til tomorrow. #Bhamchat

1:18 am **eatbhm:** @bhamchat I would love to promote grabbing lunch and joining #bhamchat

1:19 am **Jon_Lewis:** @thegeekwife - I think employers are missing the boat. Now I'm out. #Bhamchat

- 1:20 am **bhamchat:** BTW - we'll be posting last week's and this week's archives directly to the site tonight and opening comments on those pages [#bhamchat](#)
- 1:21 am **toddbob3:** [#bhamchat](#) I like [@Jon_Lewis](#) idea of daytime chat. I feel I could be much more engaged sans other commitments
- 1:21 am **thegeekwife:** Have to work on Constitutional Law homework now. Enjoyed [#bhamchat](#). See you next week. [#bhamchat](#)
- 1:22 am **bhamchat:** [@EatBHM](#) we do need to look at it as an option even if on an occasional basis [#bhamchat](#)
- 1:23 am **bhamchat:** We're also still looking at engaging non-Twitter users as well. That's a bigger issue - but we're extremely grateful for the input [#bhamchat](#)
- 1:24 am **eatbhm:** [@bhamchat](#) It is the ultimate LUNCH WITH STRANGERS [#bhamchat](#) ...that is kind of my thing :)
- 1:26 am **bhamchat:** [@EatBHM](#) exactly why it would work IRL on an occasional basis, just like how [#jourchat](#) handles their occasional live events [#bhamchat](#)
- 1:27 am **bhamchat:** Anyone have any links they want to share before the archive software stops pulling the feed? [#bhamchat](#)
- 1:28 am **bhamchat:** If not - thanks for stopping by tonight! We'll see you next week! [#bhamchat](#)
