

Late last week, we partnered with [YP Now](#) to conduct [a survey](#) trying to find out what issues were on the minds of our area's future leaders. We are happy to report that we received more than 120 responses to the survey.

Beginning this evening we are going to take a closer look at [the responses](#), taking the opportunity to post some of the written comments and asking for your feedback and continued dialogue. You can currently find [the full results of the survey](#) on this page.

You will also be able to find the full results of the survey on YP Now (we'll let you know when they've been published to their site).

Stay tuned... the first question gets tackled beginning at 7:30 p.m.
