

According to new [Catalyst](#) chair Celeste Griffin, Green Third Thursday is “where green people talk green.” The Terminal already uses the new coffee house downtown as an unofficial base of operations, now you can come on out and find out why we do and why Catalyst is starting to use it too.

Cost: \$0 (but you’ll want to have something to drink)

Location:

Java and Jams

321 North 20th Street ([directions](#))
