

☒ Cooks of the Magic City (and the country for that matter) rejoice; welcome MyRecipes.com into existence. Birmingham-based [Sothern Progress Corporation \(SPC\)](#) introduced this new site earlier this week (just in time for the holiday weekend) as the first portal from the company's newest division, **SPC Digital**. MyRecipes.com launched with more than 25,000 recipes already at users' fingertips, with more to be added every month. The recipes appear to be taken from several titles that are published by SPC, including Southern Living, Coastal Living, Cooking Light and Health.

Head on over and check it out.
