

Images of Christmas cards and ornaments - Courtesy of GBHS

If you haven't already completed writing Christmas cards to that long list of friends around the country, and you still need a few more, The Greater Birmingham Humane Society may be just the place for you.

You've got until this Saturday, December 15, to head on over to [their website](#) or visit [their offices on Snow Drive](#) to [have them send Christmas cards on your behalf](#). You may also visit their offices and purchase cards for \$1/each; just [contact them](#) to let them know how many you might need.

They also have ornaments available at [their gift shop](#) and at [Generation Dog](#) in Homewood for \$10/each. It's a great way to support a good cause.
