It's because of [an excellent article in UAB Magazine's Fall 2007 issue](#) about our city's renewed interest in completing the Olmstead Brothers' park plan, specifically the city's Park-nership project focusing on [Railroad Reservation Park](#), [Red Mountain Park](#) and [Ruffner Mountain Nature Center](#).

It's also a great time to focus on this piece as our City Council will vote to formally enter into a management agreement with the [Friends of the Railroad District](#) to manage Railroad Reservation Park during their regularly scheduled meeting this morning (items 11 & 15 on [the council agenda](#) - PDF).
