

We figured that since everybody else was throwing a holiday party, why not the new kid on the block! Though we're not quite as established as our fellow media outlets in town (read: no money), we thought it would be cool to swarm an area venue and give folks a chance to meet up and say hello before the holidays got away from us. So, [this Thursday \(December 20\), 5 p.m. at The Bottletree](#), we'll hope that some folks decide to come on out for Happy Hour!

We've got invites floating out there on [Facebook](#), [MySpace](#) and [Upcoming.org](#). Pass it along to others if you can. We realize it's last minute so we may not see many folks, but we figured we'd give it a shot. If we don't get a chance to say hello in person and pick up a t-shirt for a gift this holiday season (more on that later today), thanks for checking out the site. We really appreciate it.
