

The Two Tamales (Jan Hunter & Kristi Tingle Higginbotham) are considered the two ladies of Birmingham stage. The Virginia Samford Theatre's website listing says that they'll be performing songs from their classic routine for those in attendance on New Year's Eve. The night will feature a performance by [Euan Morton](#), currently appearing in [Cyrano de Bergerac](#) with Kevin Kline and Jennifer Garner at the Richard Rodgers Theatre in New York until January 6<sup>th</sup>. So, it's sounding like a great show to me.
