

I guess they felt like they need to do it now that [Obama](#) and [Huckabee](#) have. Democratic presidential candidate **John Edwards** now plans to visit Birmingham, AL on Saturday, though we're still not quite sure about when and where it will be; we're thinking it should be [up here eventually](#).

On the Republican side, Arizona Senator **John McCain** will take his turn stumping in the Magic City on Saturday afternoon at 1:30 p.m. His event will take place at the Birmingham Sheraton. We're figuring that he'll eventually add the date to [his online campaign calendar](#) as well.
