

Are you facing foreclosure or struggling to make your mortgage payment due to an adjustable rate mortgage? Join Congressman Artur Davis and a panel of lending experts for a valuable discussion on homeownership — including information on how to purchase a new home or keep the one you have. Attendees will hear about programs designed to help those having trouble making mortgage payments avoid foreclosure. Housing professionals will be on-site to offer free assistance. The workshop will take place in the City Council Chambers located in Birmingham City Hall, 710 20th St. North, downtown.
