

Soprano [Diane McNaron](#)'s Kurt Weill Retrospective, not heard in Birmingham in nearly a decade, will be presented with New York pianist [Thomas Bagwell](#). Bagwell, a Birmingham native who has not appeared here in fifteen years, will open the program with the rare and atmospheric Berg *Piano Sonata*. These two consummate performers will then take the audience on a musical odyssey through the controversial lives and the turbulent times of Berlin/American composer Kurt Weill and the woman he married twice, the *chanteuse* Lotte Lenya.

Featuring songs from *Threepenny Opera*, *Happy End*, *The Rise and Fall of the City of Mahagonny*, little known and expressive art songs and Broadway hits.
