

That's what you'll find over on Timetable during this first part of the week.

Charles shares his thoughts about [the skyline that he's In Love With](#).

And we figured with so many folks talking about [ShamRock](#) this weekend that the least we could do is [provide the lineup with links to their MySpace pages or websites](#) so you know what to expect.

We figured you were all really busy reading [Kyle's NY Times story](#) anyway (you were, weren't you). We'll play catch up later this evening.
