

The [United Way of Central Alabama](#) announced its goal for the annual pacesetter campaign on Tuesday afternoon at **B&A Warehouse**.

The goal set for this summer by UWCA and their corporate partners is **\$7.75 million**, \$500,000 more than last year's goal (the total raised in 2006 was \$8.1 million).

UWCA provides financial support to [more than 80 community partners](#) as well as [coordinate several area initiatives](#), including Assets for Independence and Clastran.

The campaign will continue through August 16 and serve as a starting point for the annual fall campaign.

The annual fall campaign will take place from September 6 and run through December 6.
