

We figured it'd be best to use the words of the FGC to describe the event as it's the best:

For those who know us, good to see you again, for those who don't, we provide the finest alternative, lactose and gluten free stand-up comedy you can buy. We're returning to Safari Cup Coffee to kick off the first of our monthly shows. So after you hit all the art galleries that night, stop by for some stand-up comedy with Birmingham's funny people. Funny ha-ha or funny strange? Most times both!

**Cost:** \$5; \$3 w/student I.D.

**Location:**

Safari Cup Coffee
