Well you can always let them know just how much Birmingham does! For those of you that didn't know, Beaner & Ken (well, at least Ken) [still maintain a website/blog tied to their former #1 morning show](#). The show was canceled in mid-December 2006 as part of what I still call our local [Radio Carousel](#).

While still on their extended "vacation" they're staying pretty active: Beaner's vlogging (video blogging) for [blogtv.com](#) and Ken's still in The Magic City playing in a band called [More Cowbell](#). So show them some love and [send them an email](#); it may end up in [their fan mail section](#)...
