

UPDATE: If you didn't already know that [Neal is a weekend meteorologist for CBS42](#) (since 2009), [he's also working](#) for [WeatherNationTV](#).

Well, we finally know what happened to former [Fox 6](#) chief meteorologist [David Neal](#).

The popular weatherman has not been on the air for several weeks, and based on [this afternoon's post by The Birmingham News](#), we know it's not by choice.

They also have a link to [a PDF of the circuit court filing](#) containing the allegations being made.
