Renovations and continue on the [old Federal Reserve Building](#) at the corner of 5th Avenue and 18th Street North by [Melaver, Inc.](#) of Savannah, GA. According to the developer's, website,

“...the Federal Reserve Building's historic façade will be restored, and Melaver has committed to seeking [LEED-NC](#) Silver certification, assuring tenants of the most modern, efficient, technologically advanced and productive workspace available in the Birmingham MSA.”

The building will house a hotel, restaurant, convention, retail and office space.
