

**Java and Jams** opened their doors on Thursday evening, in time to take advantage of those attending [City Stages](#) this weekend.

The coffeehouse, located at 321 20th Street North, is a free WiFi hotspot, which makes it one of [more than 340 hotspots in the Birmingham metro area](#). The owners plan to serve as a live music venue as well as a place for local artists to display their works.

[They have a web page](#) designed by [Magic City moments](#) as well as a [Myspace profile](#).

They plan to be open today as the annual music festival begins to wind down.
