

THIS EVENT HAS BEEN CANCELED!

The folks at [Sloss Furnaces](#) have decided to take advantage of the date on the calendar (and being one of the most haunted venues in the region) by showing [the 1980 classic horror film](#). Just in time to start planning to watch [the new film due out in 2009](#).

They'll show the film in the cast shed, provide chairs if you don't want to bring your own, and free popcorn! You'll also be able to bring in your own food and drink. A great spooky venue indeed...
