

Laney DeGeorge (Rojo) and Sue Moody are scheduled to be on this morning's ROX Report radio show on 1070-AM until 8:30 a.m. They're asking that folks call in to the studio with comments about the Knights of Columbus property in Glen Iris that been a recurring topic of conversation in recent months. They also want anyone in any other neighborhood that have been affected by the same developers to call in and voice their opinions in hopes of raising the level of awareness about the issue.
