

We're deviating only slightly from our Birmingham only stance today, so I figured we'd take a look at a new site in Huntsville, AL (thanks to [Nicki](#) for the tip!).

Screenshot of [Color Me Huntsville](#)

[Color Me Huntsville](#) is a blog that looks at arts and entertainment happenings in the Rocket City and looks to be an expansion of a column that [C.A. Marks](#) has [recently started writing for al.com](#).

They're just going to keep on sprouting up... cool, huh?
