

This is a call to arms for Birmingham fans and those who want to show others what this city is all about. About the good things [IN Birmingham](#).

So often we hear people being negative about our town. People who say, 'there's nothing to do in this town' - clearly have not been paying attention or reading [Christina](#)'s posts over on [Timetable](#). But this is our chance to give a voice to the quieter majority who know there are great places to eat, drink, or just hangout in Birmingham.

Our [convention and visitors bureau](#), along with other groups like the [chamber of commerce](#), are collecting nominations for what YOU think are the best spots IN town. Your favorite IN spots. At the end of the nomination process (**read: the end of JUNE!**) we will make a book, a [Zagat](#)-style guide to Birmingham based on your input.

So [click here to nominate your favorite spot](#). You don't have much time left.

I'll be hopping on The Terminal **every Wednesday** to showcase a different IN spot up until the book is out, so stay tuned!
