

Probably not what you're expecting from us first thing on a Monday morning. But we had to take a moment and bid a fond farewell to an early supporter and contributor to The Terminal.

Looking at U2's Joshua Tree album hanging on the wall that you cannot see because it is not in the frame. [Photo Mojo/Flickr](#).

[Chris "Mojo" Denbow](#) has packed up and headed west, to Houston, TX. We hope that we'll still see him around from time to time. If you aren't familiar with him, you may want to [check out one of the many online homes](#) that he maintains.

Thanks for everything & good luck!
