

iPhone line at The Summit. [acnatta](#)/Flickr.

Do we really need to say any more? This is the line at [The Summit](#) at around 6:15 this morning.

By the time you see this, AL.com should have already hit the area and prepared some video for later on. [Fox 6](#) was already there when I pulled up. And I have a feeling there will be a few folks that will blame Highway 280 traffic for being late to work today while secretly waiting for [the new Apple iPhone 3G](#). Just saying...
