

That's how many [Starbucks Coffee](#) locations are actually closing in metro Birmingham. Besides the two locations that have been reported about earlier in local media, we're also losing locations on Rocky Ridge Road and one on Parkway East. These would be four of the newer locations in town. The one that recently opened in Hoover on Hwy. 31 is safe (compared to the five locations closing in Mobile).

Here's [the list of all of the U.S. locations slated for closure](#). (Thanks [Kara](#)).
