

The crowd at The Terminal Concert on July 26. Bob Farley/[f8Photo](#)

I just wanted to take a moment and thank the 140 people that came out and showed some love for the hub last night at The Bottletree (some of whom are pictured above)!

I also want to thank [all of the bands that performed last night](#) as well as **Christopher Davis**, the staff at [The Bottletree](#), **Travis Morgan** of [Skybucket Records](#) for setting up our line up and [Adam Stoves](#) for his poster design.

We'll be sharing photos from Saturday night both here on the site (link to follow) as well as on [our page on Facebook](#) both later day and tomorrow. I'd invite you to do the same either by submitting your photos to photos@bhamterminal.com or if you have a Facebook profile by adding them to our page's fan album.

BTW - No matter where you were, we want to know [how much fun was it last night?](#)
