

We've already updated our poll question on [the front page](#) to see what our readers think about Siegelman's and Scrushy's sentences, but we thought we'd go that extra mile today and ask you to articulate your points. Go on over to [My Birmingham](#) and [let us know what you think about last night's decisions](#).

But of course we want to have you vote on this as well. Keep an eye out on [My Birmingham](#) for a piece on Sunday about [our recently closed poll about the 2007 mayoral race](#).
