Manolo Sanchez, President and CEO of [BBVA Compass](http://BBVA.com), celebrates the unveiling of the bank's new logo at the company's headquarters on 20th Street South in downtown Birmingham this morning. The bank has started the rebranding process at the bank's 92 locations in Alabama starting in Birmingham. The rebranding process will continue through March 2009. There are 579 branches and 734 ATMs being rebranded in the Southeastern United States. (ED: The website has not received the new brand treatment as of yet - ACN).
