

Someone has donned the mask of the Caped Crusader, if only virtually, for the Magic City. This one hopes that they can make people aware of what's going on around them in terms of crime.

Birmingham Batman has [recently re-appeared as a MySpace profile](#) that connects to a [Spotcrime.com map of the area](#). The profile also includes an widget that pulls the RSS feed from our local Crimestoppers site. According to the profile, comments will be limited to information relevant to dealing with Birmingham crime. We don't know who it is (though we wish we'd done it first ☹), but we're hoping that folks will take advantage of it. We're thinking the original would be proud ([we talked about him here in 2007](#)), though we're not sure...
