I couldn't pass up a chance to plug [Catalyst's new website](#) before we continue on this morning's food kick. This evening they'll officially launch their redesigned website with an event at [Rojo](#) featuring a performance by [Matthew Mayfield](#) and a remote by [Live 100.5 FM](#). If you've got a moment, stop on by, especially since the first 75 that show up get free drink vouchers. If you get a chance, send us some photos from the event so we can share them with our readers... just saying...
