

Kudos to *Foodimentary*, a [blog](#) and [Twitter feed](#) based right here in metro Birmingham, AL (Homewood to be exact) as they are the winner of this year's [Shorty Award](#) for food! The Shortys recognize leaders in producing short content using the popular microblogging site. [Here's a video primer](#) for those not familiar with Twitter.

Wondering just how popular and powerful Twitter can be? [Foodimentary's profile](#) currently provides fun facts about food to more than **29,600** followers!

We don't know if they'll be able to attend [tomorrow's awards ceremony](#), but we hope they are able to, considering that CNN's [Rick Sanchez](#) will be hosting with tweeters [Shaquille O'Neal](#) and [MC Hammer](#) being involved in the fun.

Congrats!
