

So let's give you a few things to do to fill that last ~~half hour~~ fifteen minutes...

I was one of three bloggers that were interviewed for this week's episode of [WBHM](#)'s arts and culture program [Tapestry](#). The segment was on blogging and featured myself, Wade Kwon and Ashley Umbaugh. You can [check out the story as it ran](#) or [the excerpts from my extended interview](#). If you want to hear it on the radio, it's on tomorrow morning at 11:30 a.m. on 90.3 FM.

Our conductor Jason Donaldson's still suffering from the spill he took on his bike a couple of weeks ago, but [he's pulled together a great set of musical options for you to check out for the weekend](#). You can always [follow Jason on Twitter](#) to see what else he's up to.

How about letting us know just what you're doing this weekend... it's [our Magic City Question](#) after all.
