

Fellow [Birmingham-based online publication My Scoop](#) announced this morning that they have launched [a second site for Nashville, TN](#). The website launched in 2007 and currently receives 9,426 monthly page visits from the Music City, leading to My Scoop Media, Inc. CEO [Amy Lemley Bailey](#)'s decision to formally expand into Tennessee.

Bailey expressed excitement in the press release announcing the launch of the new website stating that "We are thrilled to provide Nashville with the most current information about fashion, beauty, posh living and entertainment in their area."
