

Earlier this afternoon [Skirt! Magazine](#) here in Birmingham [announced via its Twitter feed](#) that it would no longer be associated with [Media General](#), owners of [NBC13HD](#). Subsequent tweets asked for anyone interested in helping save the magazine to [contact them via direct message on Twitter](#) (typing the letter "d" in front of their username ([skirtBirmingham](#)) or [via email](#)). The magazine was founded in 1994 in Charleston, SC and Birmingham is one of 23 markets currently served by it. [They do plan to move forward with the local edition of the publication.](#)
