

We've seen a great deal of traffic over the last few days with regard to [our post about the future of Johnny Ray's](#). We're hoping that some of you have had a chance to read the comments. If not, you've missed out on something...

One person who we were happy to see respond to the comments was Alton Shields, the President and Managing Director of the Johnny Ray Cos, [who was able to quiet rumors that the chain was closing](#).

We just wanted to take a moment and suggest that folks check out his comments and all of the other comments to all of the other posts on the site whenever and wherever they're made.

Thanks those that do add their voices to this conversation.
