

Yes, you read that correctly. A better way to say it is that I'm in Memphis, TN today to be part of a community blogging panel discussion with Elizabeth Lemmonds of [Memphis Connect](#) and Morgan Levy and Christy Frink of [Nashvillest](#) at this year's [BarCamp Memphis](#).

If you're interested in seeing what's going on at the conference today and you're on Twitter, look for the hashtag [#bcmem](#). There's also [a Posterous site set up](#) and I'm assuming that the session will be live streaming starting at 1 p.m. CT - it's supposed to be on [the Room 106 feed](#).
