

Good morning everybody!

I'm extremely grateful for the nominations that were submitted both through the comments function and via e-mail. [As stated in the post that explained the reason we were taking those comments](#), the deadline for suggestions was **11:59 p.m. on Saturday**, so while we're thankful for those that are still submitting comments, they will not be considered in creating the list of choices.

The poll will be opened at 3 p.m. this afternoon. We'll post the website addresses of the charities included as well as a link to a post on [my Birmingham](#) that explains the method behind the madness at that time.

We'll see you then.
