

As we wait for [the pending snow event arrive in Central Alabama](#), we figured it would be a good idea to take a look across the Atlantic at what residents in the United Kingdom and Ireland are going through.

Our friends at the [Birmingham Post](#) have [two photo galleries](#) (check out their Iron Man in the second link) and [a live blog](#) with updates from around the region. The photo accompanying this piece was taken about earlier today in Arborfield. [An American in Ireland](#) decided fill his readers in on the similarities between how prepared Dublin and Birmingham are to handle any accumulation.

All we ask is that you take care of yourselves out there tomorrow.
