

So it's still hot... and it's not going away anytime soon, with today's high reaching 103°. We know how we're fairing in the heat, but how about the residents at [one of the state's busiest tourist destinations](#).

The folks at Fox 6 decided over the weekend [let us know how the gang at the Birmingham Zoo was beating this insane heat](#) recently, complete with video. We'd just love to have access to that pool right now.
