

✘ Just to help feed the hype that is [Spiderman 3](#), we just felt it was our civic duty to remind everyone that [all three of our local Rave Motion Pictures locations are showing the film](#) beginning at 12:01 a.m. Friday morning. That, and the fact that as of the time of this posting, tickets are still available. Of course with that being said, it's not like we're trying to convince anyone to skip work later that morning just because you were out watching the latest Spidey film....
