

Pumpkin appears to be a golden retriever/lab mix who's recently been the lucky recipient of support and caring from across the country.

[Birmingham Entrepreneur](#) and [Appsolute Genius](#) founder Brian Cauble [created a website](#) to help chronicle the journey of this injured puppy that he and his wife [discovered last weekend while traveling to the Auburn football game vs. Ole Miss](#).

Approximately \$2,400 has been raised so far to cover medical expenses for Pumpkin, with [donations coming as far away as San Fransisco, CA and Milwaukee, WI](#).

He may even be making occasional visits to [Sparkbox Coworking](#) on Southside in the coming weeks as he gets better and begins to look for a new home.
