

We haven't written anything about [the annual Hat and Horns Société New Year's Eve party](#) since [late 2007](#) (and that's a shame). [The group](#) was formed in 2000 and theirs one of the only celebrations that gives all of its proceeds to area non-profits.

This year, [The Bell Center](#) and the [Assistance League of Birmingham](#)'s [Operation School Bell](#) will benefit from tickets and t-shirts sold for the event's 10<sup>th</sup> anniversary.

[The tickets are currently \\$125 per person](#), with options available to purchase tables with **Mother Mercy** and **Hash Brown** providing musical entertainment. We can't tell if you'll be able to purchase a shirt and have it mailed to you or not, but they're available for \$15 a piece and can be picked up the night of the event.
