

We didn't know if you knew we'd asked these candidates **two more questions**. Instead of posting them with [the rest of the answers](#), we decided that we would begin building candidate profiles, with a little help from our friends over at [Bhamwiki](#).

Click on the image above to hear the candidates answer two (2) questions; one specific to them and this question that got some very interesting responses:

**How do you view the role of mayor as the city goes forward?**

**BTW:** Don't forget that you can still [cast your vote for mayor in our online poll](#) until **3 p.m. this Friday!**
