

This morning's [Operation New Birmingham](#) (ONB) Breakfast Briefing is focusing on **The State of City Center Residential Development**. A [recent issue of BusinessWeek Magazine](#) is backing up the positive report that attendees are hearing so far, not just for the city center, but for the entire region. [The September 18 issue](#) lists Birmingham, AL as **the third best bargain in the country** if you're looking for a new home. Don't believe us, [click here](#) to see the slideshow that shows the ten best and worst places; we're slide #4!
