

Our local filmmaking scene lost a great one recently. Michael Prichard left behind his wife and 2 children when he died unexpectedly on September 14. He was a trusted grip, audio, and camera operator for more than ten years. [Click here](#) to view more information about him.

On October 11, area filmmakers will be holding a tribute and fundraiser for Prichard at [Rojo](#), beginning at 6 p.m.

Rojo is hosting a show of photography by local filmmakers with the theme “**Things that Mike P. would have liked.**” Proceeds from the show will go to the family. Art may be donated up until the day of the show. For more information, please contact [Arik Sokol](#) or [Ned Boggan](#).
