

[Kevin Cole](#) of 90.3 FM [KEXP](#) in Seattle do at least. The staff normally takes turns choosing the **Song of the Day** for the University of Washington owned station. Cole took his turn to pick our own [Wild Sweet Orange](#) in part because of their scheduled appearance on the station's [CMJ Broadcast next week from New York City](#). Our readers in New York need to click on that link and sign up to get in for the sessions (especially since it is free).

[Click on over to their blog](#) and listen to the mp3 for their single **10 Dead Dogs**. You may also want to plan to tune your browsers over to KEXP on October 19 as they perform live. Or [head on over to Timetable to watch the video](#) of the Birmingham/Homewood-based band performing the song at a former great live performance venue.
