

1. \$1 from every purchase goes to a local charity. The charity is chosen once a quarter. This quarter's charity is the [Community Kitchens of Birmingham](#). **NOTE:** If you happen to buy a pink Terminal T this month, an additional \$1 will go to benefit the [Susan G. Komen Foundation of North Central Alabama](#).
2. It's just a cool shirt!
3. We are attempting to formally create an entity to ensure that The Terminal is around for a long time and we need your help. If you could buy a shirt from us (and encourage others to do so) it would help spread the word about our existence and provide us with the support needed to get to the next level. Of course, [you could always advertise on the site too if you're a business](#), but the T-shirt would be a great start.

Thanks for your readership and for your support. [Click here](#) if you just want to go ahead and buy one (more colors are coming soon).
