

Please note the item currently listed as last on [the preliminary agenda](#) — an informal review of proposed murals being presented by REV Birmingham — was not included in the map.

STATIONMASTER'S NOTE: *We'll do our best to provide a downloadable version of the agenda in addition to this map in advance of the city's Design Review Committee meeting whenever possible. Our map may not always go in the order of the agenda (and it is subject to last minute changes), but it should give you an idea of what's happening. Looking forward to hearing your thoughts via the comments below, [Facebook](#), or [Twitter](#)!*
