

It's raining, it's Wednesday; it's less than an hour from being able to go home. So why not click on over to [Timetable](#), check out the first part of the new look, turn up the volume if you have access to speakers and take a listen to the newest video from [Skybucket Records](#) recording act [Through the Sparks](#) - Falling out of Favor with the Neighbors as our first sidebar video of the week.

You know you want to...
