Connecting Your Passion to Lead to the Right Community Need

Board Connection

Busy jobs and busier social lives do not leave much time to find that nonprofit leadership position that is the perfect match for you.

Join other young professional for Board Connection: a fast, fun way to discover how to put your talent to work in changing your community for the better.

The Board Connection Kick-Off will give you the who, the what, and the why of joining a local nonprofit board.

Participants will also learn about our upcoming “Nonprofit Speed Dating” event, in which you mingle with local nonprofit organizations looking for new board members just like YOU! Space will be limited for this exciting event, so come to the Kick-Off to find out how to secure your spot.
